UNITED STATES DISTRICT COURT

FOR THE EASTERN DISTRICT OF VIRGINIA

ALEXANDRIA DIVISION.

FILED
MAILROOM

DEC I 8 2012

CLERK, U.S. DISTRICT COURT
ALEXANDRIA, VIRGINIA

GRAHAM SCHREIBER,
Plaintiff,

v.

LORRAINE LESLEY DUNABIN; CENTRALNIC LTD.;
NETWORK SOLUTIONS LLC; VERISIGN INC.;
INTERNET CORPORATION FOR ASSIGNED NAMES AND NUMBERS;
AND ENOM, INC.,

Defendants.

CASE NO. 1:12-cv-00852.

OPPOSITION TO: Verisign Inc's Motion to dismiss

(1) Mr. Hyland has made an error, in advising twenty (20) days for rebuttal.   As per: http://
www.vaed.uscourts.gov/localrules/LocalRulesEDVA.pdf *(1) The pro se party is entitled to file a response
opposing the motion and that any such response must be filed within **twenty-one (21)** days of the
date on which the dispositive or partially dispositive motion is filed; and*

(2) Plaintiff filed a response electronically, (via email) to Defendants on December 12th, 2012. (with cc to
the all other parties.) Emails are sent via the servers of Network Solutions, Defendant # 3, as
'witness'.   As such, no appropriate grounds for dismissal are present.

(3)   Plaintiff will 'walk' Defendant through the files, as currently in the Courts stamped receipt and
published by ICANN, (Defendant 5) on their Litigation page, at www.icann.org .

I, Graham Schreiber as Plaintiff submit to the Court that everything written was done so by Me and
information furnished is substantiated by external documents, connecting VeriSign Inc D/B/A VeriSign
Global Registry Services, to "knowing".

Through and by such "knowing" have failed to protect consumers from fraud; and businesses, from
fraudulent representation, as the sole Registry of ".com".

Registrar: From Wikipedia. - A registrar is an official keeper of records made in a register.

As ICANN's / IANA's exclusive Registry of ".com" it's beyond comprehension that VeriSign; and it's
multitude of internal companies missed these "Red flags" of the DMCA that are *"infringing activity which
would have been apparent to a reasonable person"* .

For the record, VeriSign has a page at http://www.verisigninc.com/en_US/legal/dmca/index.xhtml and email
contact of DMCA@verisign.com whom I've contacted, email in evidence.

(4) Done.
