 - b. on August 31, 2021 the Respondent filed the Response to Claimant’s Request for Stay as per the Procedural Order No.2;
 - c. on November 4, 2021 the IRP issued the decision to deny the Claimants’ Motion for Stay;
 - d. on November 18, 2021 the conference call (“**CC**”) was held, in which the IRP, the Parties, the ICDR representative and the Administrative Secretary to the IRP participated.
2. The IRP further recapitulates the arrangements and decisions made in result of the CC:
 - a. each Party seeking discovery shall serve the requests for document production not later than on January 14, 2021;
 - b. each Party shall serve the response to the requests for document production of the other Party not later than on February 14, 2021;
 - c. the next conference call between the IRP and the Parties will be held on March 9, 2022 at 8 AM PST/PDT;
 - d. on the agenda for the next conference call the IRP will request the Parties to set a hearing date for a hearing on the merits. Moreover, while it may be premature on March 9, 2022, if possible, the IRP would like to also know if the Parties have decided whether there will be an in-person hearing and if so the venue for that hearing.
3. The IRP further notes that the hearing on the Respondent’s demurrer filed in the proceedings between the Parties before the Los Angeles Superior Court, *Fegistry et al., v. Internet Corporation For Assigned Names And Numbers*, No. 20STCv4288, is scheduled for December, 2021. In this regard, the IRP requests the Parties to serve on the IRP the court’s decision on this demurrer after its issuance without undue delay.
