

Dear Registry Operator,

This notice is to inform you that the [global amendment](#) to the [base gTLD Registry Agreement](#) (Base RA Global Amendment) **was approved and will be effective** for the TLDs listed in the attached Appendix A on **5 April 2024**.

In connection with the Base RA Global Amendment, ICANN has also issued an [Advisory](#) that provides guidance on the interpretation of and compliance with the new requirements once such requirements become effective. The ICANN Advisory can be found on the [Contracted Party Advisories webpage](#).

Please refer to the reference materials provided on ICANN's dedicated [2024 Global Amendment webpage](#) to review the changes to the base gTLD Registry Agreement (Base RA) and to track updates from ICANN.

The Base RA Global Amendment received both required approvals as outlined in [Section 7.7\(c\)](#) of the Base RA. The two required approvals were received from: (1) Applicable Registry Operators as of the end of the voting period on 8 December 2023, and (2) the ICANN Board on 21 January 2024 as outlined in the [Approved Board Resolution](#).

Once the Base RA Global Amendment becomes effective, individual execution is not needed. ICANN will publish the effective Base RA Global Amendment on the [Registry Agreements webpage](#). Additionally, ICANN will post the Base RA Global Amendment to each Applicable Registry Operator's Registry Agreement page on [icann.org](#).

If you have any questions, please submit a General Inquiry case in the [Naming Services portal](#) or email globalsupport@icann.org.

Thank you in advance for your continued support.

Sincerely,

Russ Weinstein
Vice President, GDD Accounts and Services
Internet Corporation for Assigned Names and Numbers (ICANN)
