

ICANN ccTLD Agreements CENTR GA, Bled, Slovenia

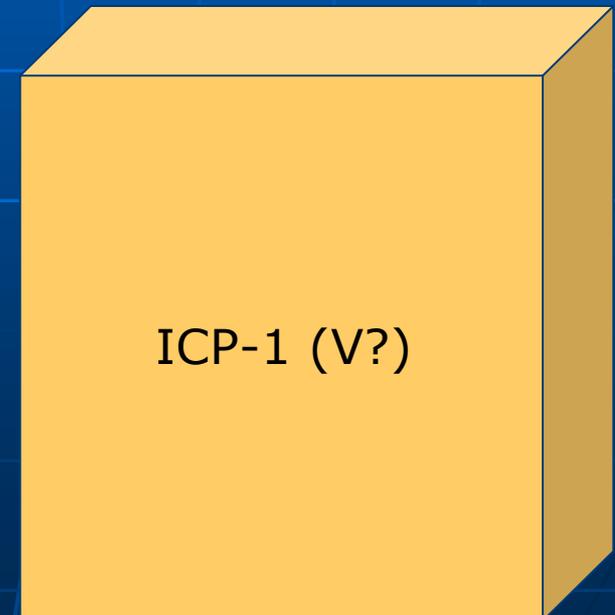

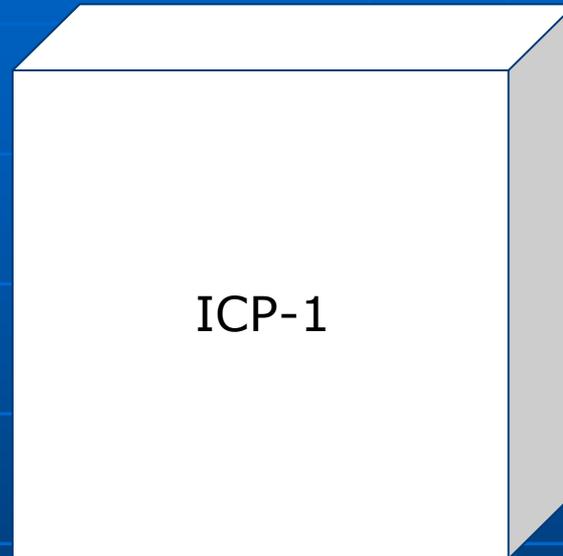

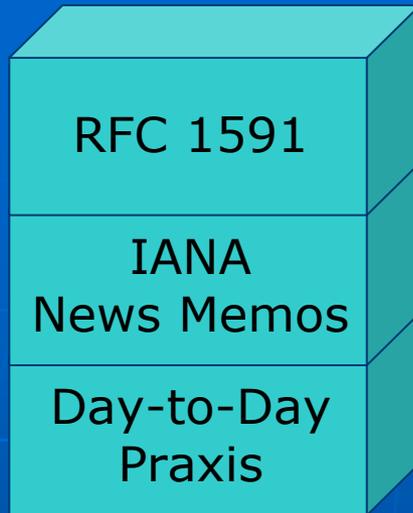

Herbert Vitzthum
ccTLD Liaison
herbert@icann.org

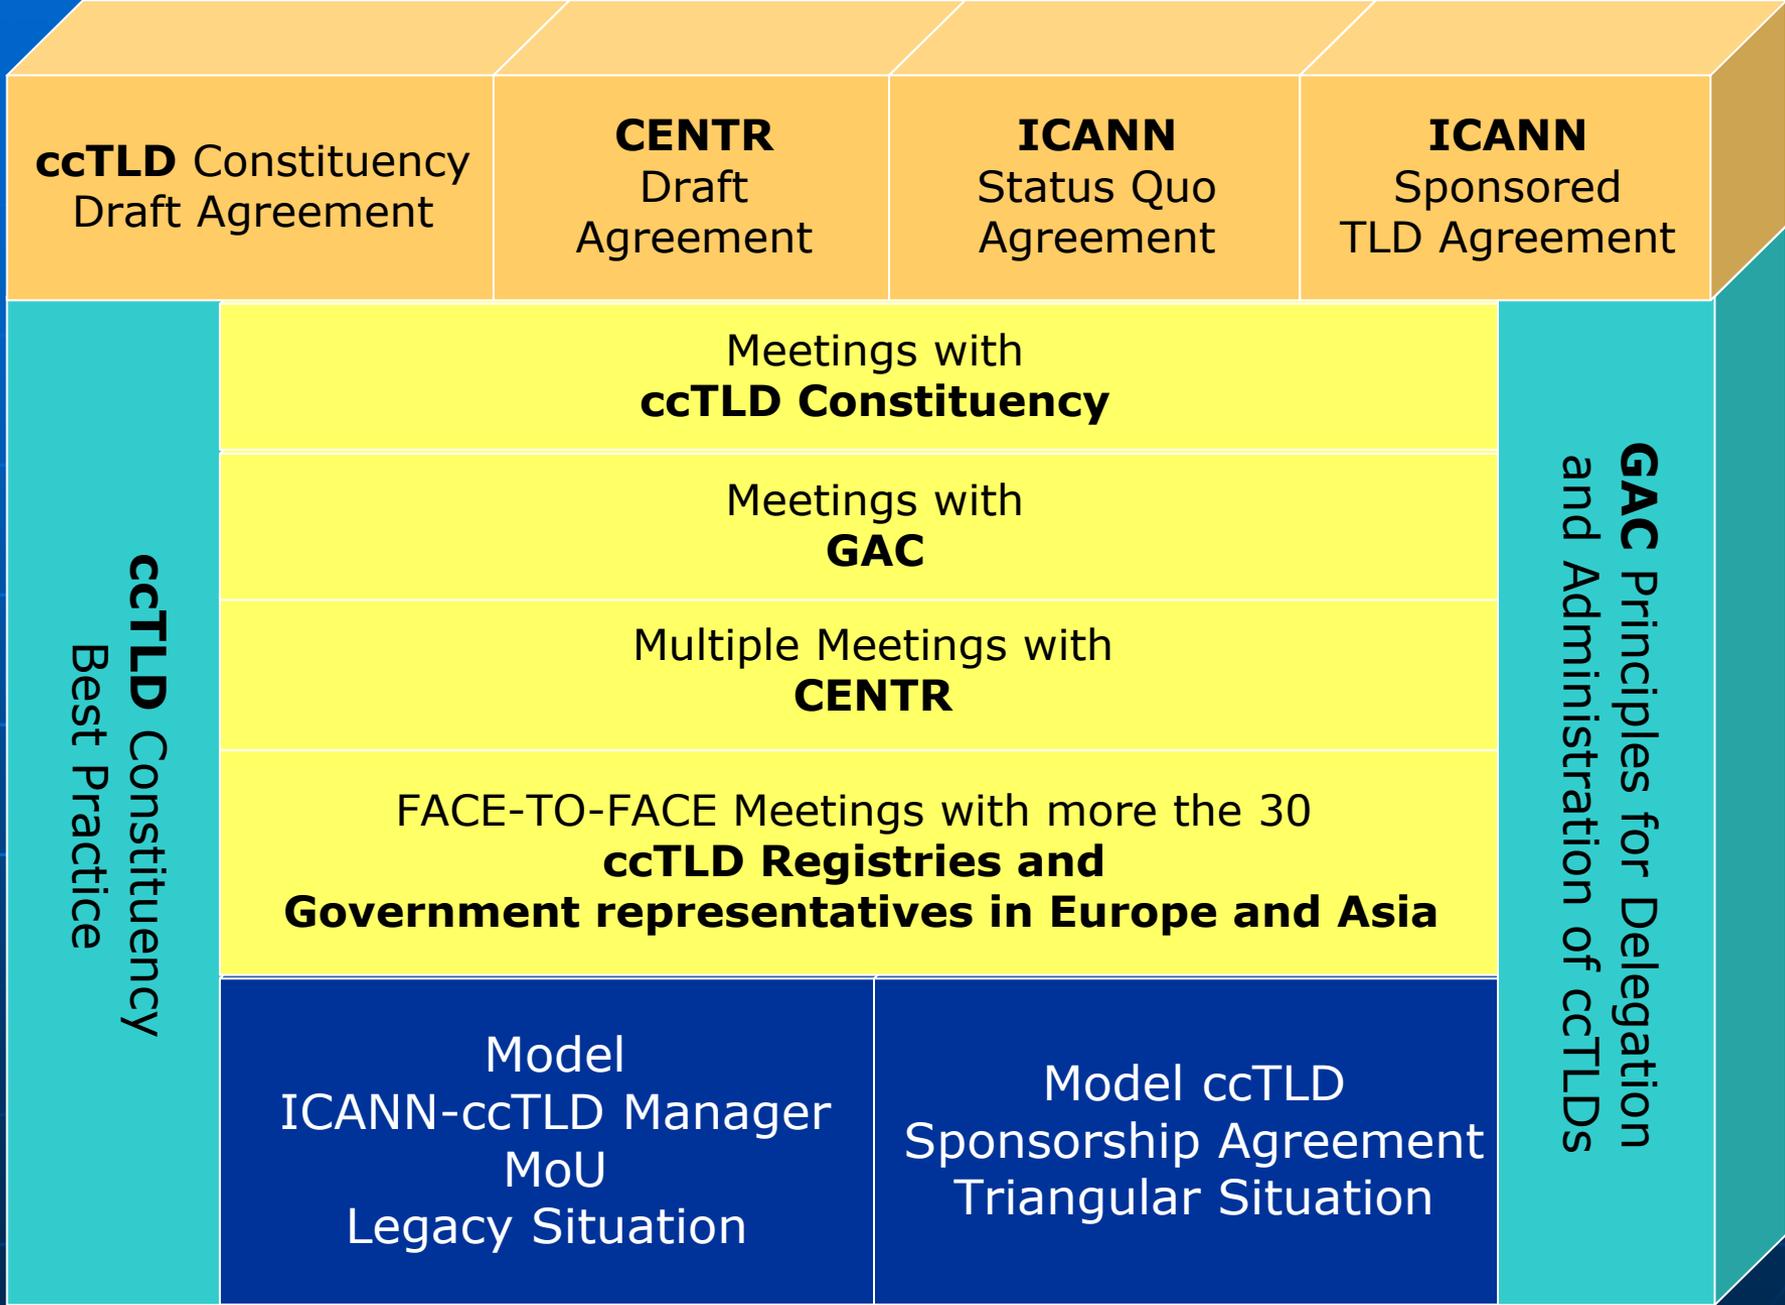

Why ccTLD Agreement

- MoU ICANN - US-Government
- Many ccTLD-Manager need the agreement for their protection.
- Every manager has to document the legal relationships of a company, ask your auditors!
- No redelegation without an agreement (MoU).

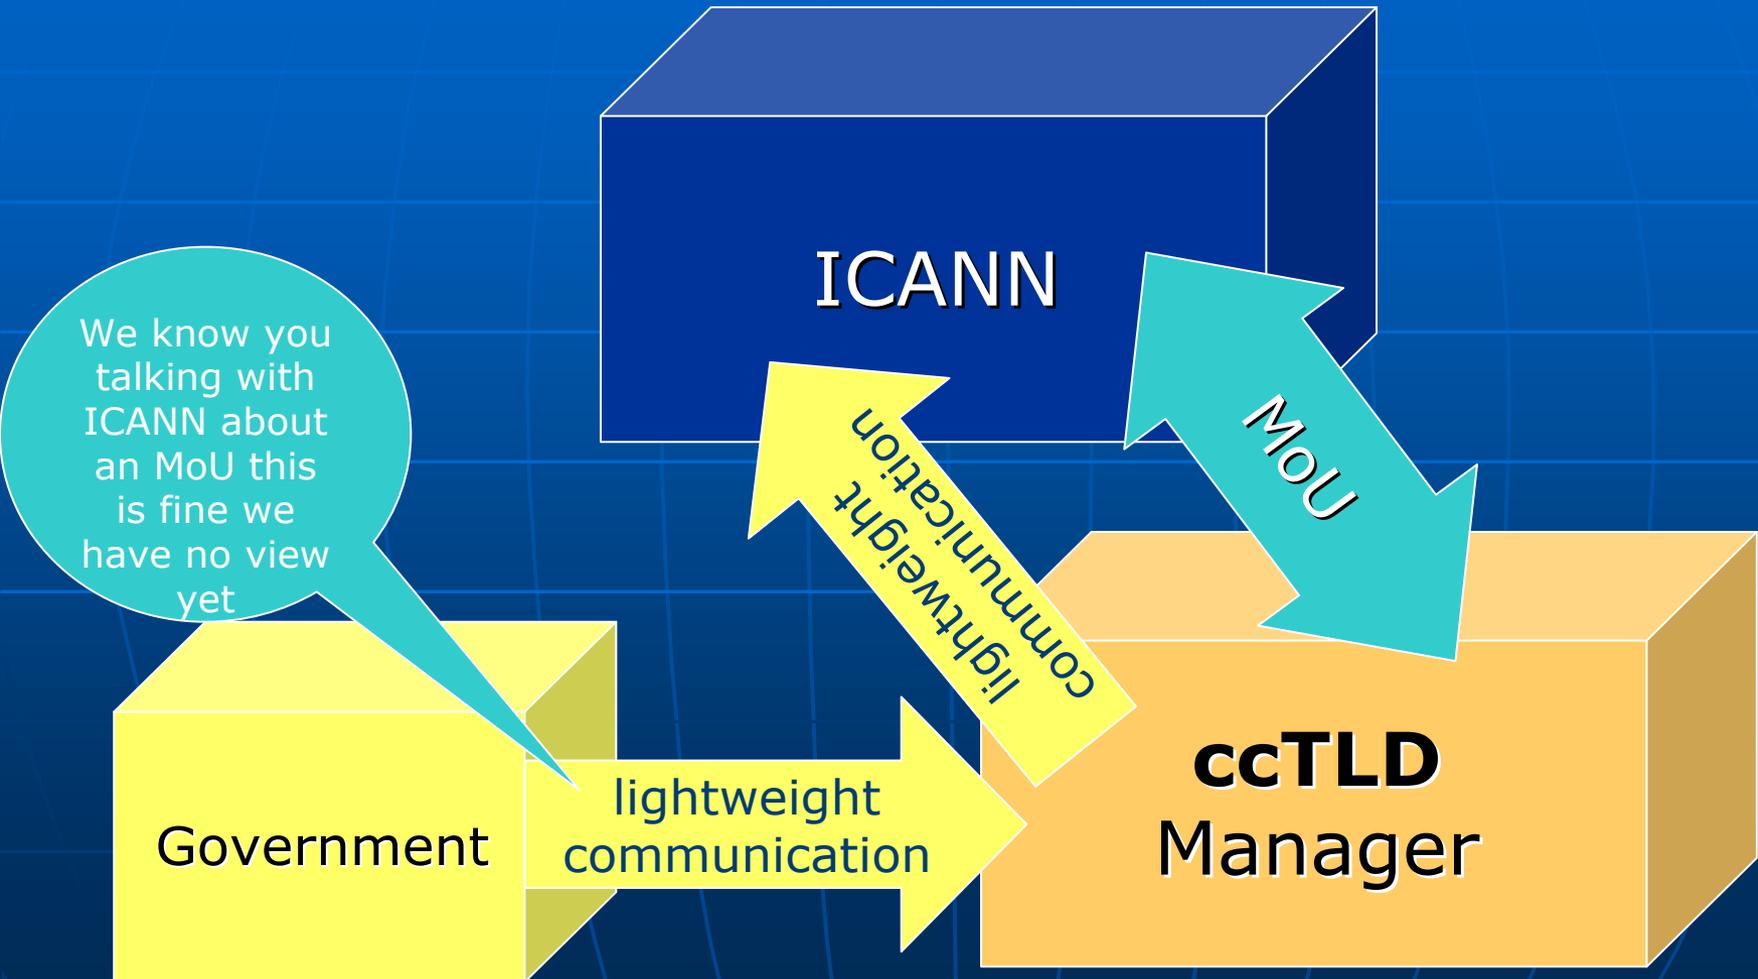

Global ccTLD policies

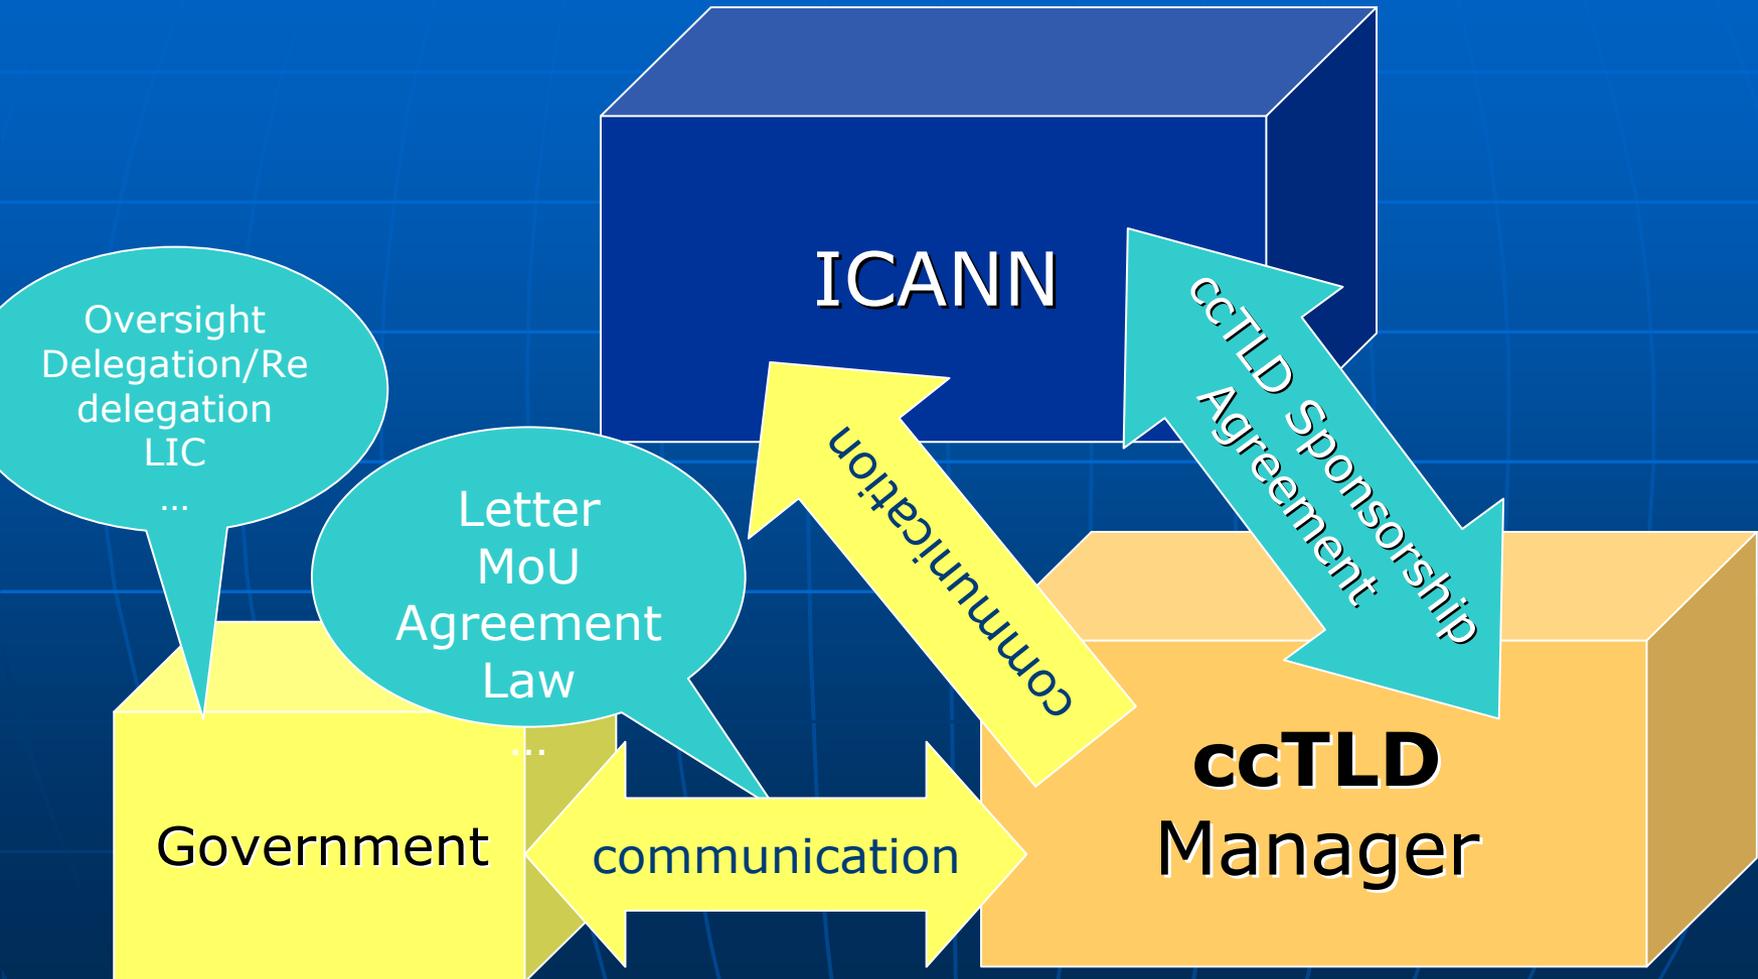

Future Version through ICANN policy development process, ccTLD constituency (DNSO-ccTLD SO) decision through ICANN Board, therefore important to be part of ICANN!

Legacy Situation

Triangular Situation

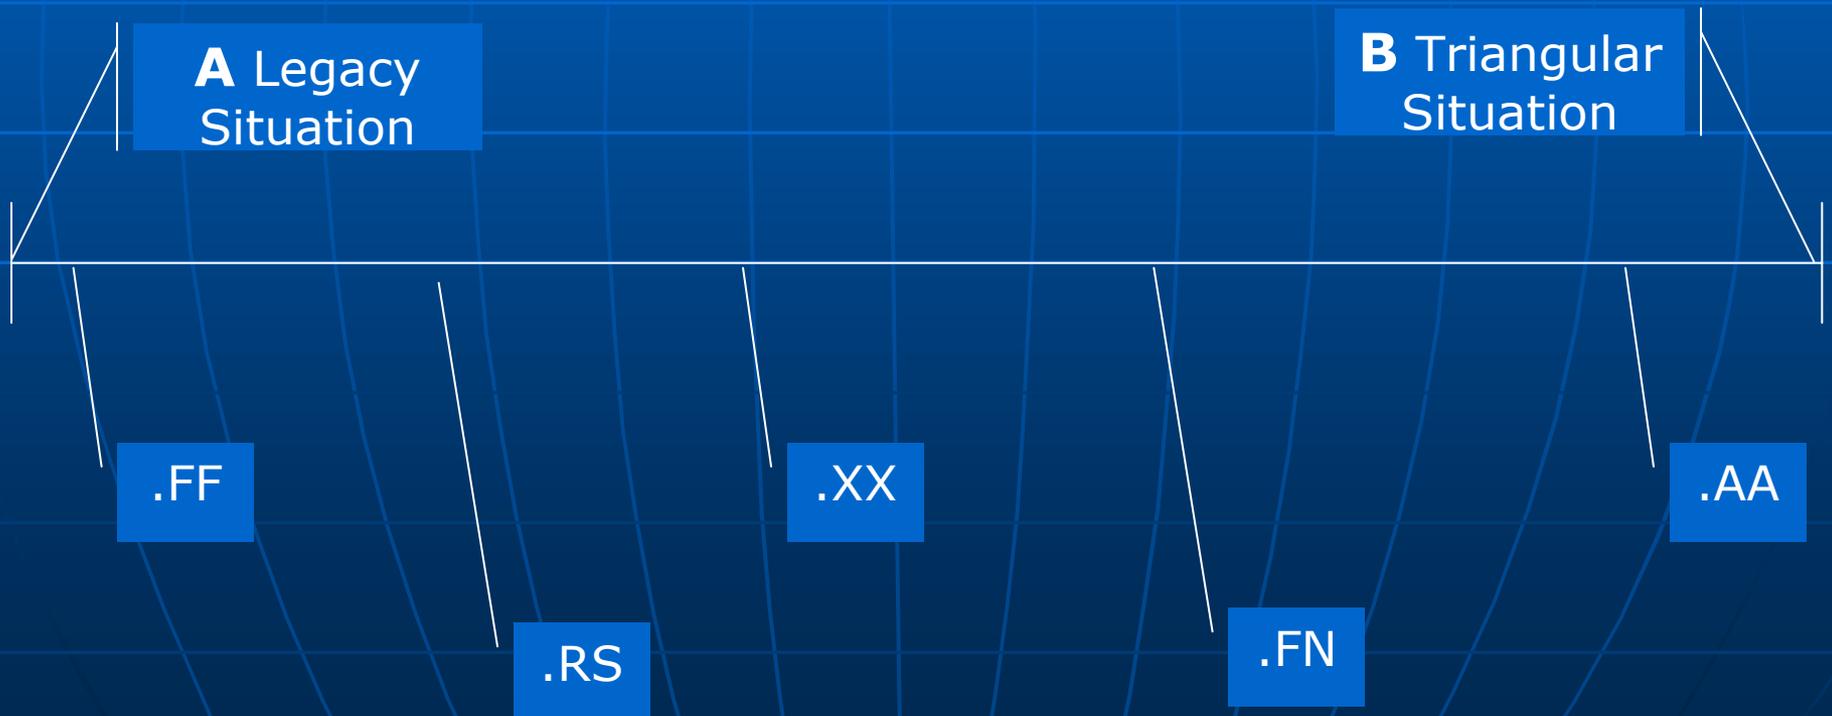

A or B

Which model to choose?

**It depends on your
local situation!**

You choose!
