Dear DG Hsia,

Thank you for your letter dated February 29, 2016 and sent to our ex-CEO Fadi Chehade. In my capacity as interim CEO of ICANN, I am writing with regard to the designation of Chinese Taipei in the Chinese version of the minutes of ICANN's Dublin meeting of October 2015.

I would like to confirm that the designation "Chinese Taipei - 中华台北" will continue to be used in all ICANN/GAC documentation, including minutes, communiqués and the ICANN website. Consultations with the GAC informed me that a response was sent from the GAC secretariat to Ms. Judy Ying-Ming Wong, at your Consulate, dated 22 February 2016 on this same matter. I note that the GAC Secretariat has corrected the Chinese version of the GAC minutes in Dublin as you requested.

With our best Regards,

Akram Atallah
Interim President and CEO
ICANN
