Heather Forrest, GNSO Chair

RE: SAC090: SSAC Advisory on the Stability of the Domain Namespace

Dear Ms. Forrest,

At the last workshop on 23 June 2018, the Board passed a [resolution](#) accepting SAC090 and adopted the ICANN Board Action [scorecard](#) for SSAC Advice Documents SAC047, SAC058, SAC061, SAC090, and SAC097 (08 June 2018). Accordingly, the Board requests that the GNSO Subsequent Procedures PDP include the recommendations in SAC090 in the course of its work. The rationale for the Board's request is included in the scorecard.

The Board congratulates the GNSO Council and the New gTLD Subsequent Procedures PDP WG on the publication of the Initial Report, and looks forward to continued good work toward completion of the PDP.

Best regards,
