Terms and Conditions for Submission of Reconsideration Requests

Reconsideration Requests from different Requestors may be considered in the same proceeding so long as: (i) the requests involve the same general action or inaction; and (ii) the Requestors are similarly affected by such action or inaction. In addition, consolidated filings may be appropriate if the alleged causal connection and the resulting harm is substantially the same for all of the Requestors. Every Requestor must be able to demonstrate that it has been materially harmed and adversely impacted by the action or inaction giving rise to the request.

The BAMC shall review each Reconsideration Request upon its receipt to determine if it is sufficiently stated. The BAMC may summarily dismiss a Reconsideration Request if: (i) the Requestor fails to meet the requirements for bringing a Reconsideration Request; or (ii) it is frivolous. The BAMC's summary dismissal of a Reconsideration Request shall be documented and promptly posted on the Reconsideration Website at <https://www.icann.org/resources/pages/accountability/reconsideration-en>.

Hearings are not required in the Reconsideration Process; however, Requestors may ask for the opportunity to be heard. The BAMC retains the absolute discretion to determine whether a hearing is appropriate, and to call people

before it for a hearing. The BAMC's decision on any such request is final.

For all Reconsideration Requests that are not summarily dismissed, except where the Ombudsman is required to recuse himself or herself and Community Reconsideration Requests, the Reconsideration Request shall be sent to the Ombudsman, who shall promptly proceed to review and consider the Reconsideration Request. The BAMC shall make a final recommendation to the Board with respect to a Reconsideration Request following its receipt of the Ombudsman's evaluation (or following receipt of the Reconsideration Request involving those matters for which the Ombudsman recuses himself or herself or the receipt of the Community Reconsideration Request, if applicable).

The final recommendation of the BAMC shall be documented and promptly (i.e., as soon as practicable) posted on the Reconsideration Website at <https://www.icann.org/resources/pages/accountability/reconsideration-en> and shall address each of the arguments raised in the Reconsideration Request. The Requestor may file a 10-page (double-spaced, 12-point font) document, not including exhibits, in rebuttal to the BAMC's recommendation within 15 days of receipt of the recommendation, which shall also be promptly (i.e., as soon as practicable) posted to the ICANN Reconsideration Website and provided to the Board for its evaluation; provided, that such rebuttal shall: (i) be limited to rebutting or contradicting the issues raised in the BAMC's final recommendation; and (ii) not offer new evidence to support an argument made in the Requestor's original Reconsideration Request that the Requestor could have provided when the Requestor initially submitted the Reconsideration Request.

The ICANN Board shall not be bound to follow the recommendations of the BAMC. The ICANN Board's decision on the BAMC's recommendation is final and not subject to a Reconsideration Request.

By submitting my personal data, I agree that my personal data will be processed in accordance with the ICANN [Privacy Policy](#), and agree to abide by the website [Terms of Service](#).
