

Dear Registrar,

As the result of the pending termination of the accreditation of Registration Technologies, Inc. (IANA 321), the Internet Corporation for Assigned Names and Numbers (ICANN) is seeking Expressions of Interest (EOIs) from ICANN-accredited registrars that would like to assume sponsorship of the generic top-level domain (gTLD) names that were managed by this registrar. ICANN intends to bulk transfer the affected gTLD names to a single gaining registrar if possible.

The terminated registrar sponsors approximately 4,600 registrations in total in .BIZ, .COM, .INFO, .NET, and .ORG.

ICANN-accredited registrars that want to be considered as potential recipients of this bulk transfer should ensure that they are in good standing with regard to all ICANN obligations and accredited in the aforementioned gTLDs. All interested parties must submit a completed Expression of Interest (see attached) by email to registrar@icann.org **no later than 23:59 UTC Monday, 11 January 2021.**

This request for Expressions of Interest (EOIs) is made pursuant to the De-Accredited Registrar Transition Procedure posted at <https://www.icann.org/en/system/files/files/dartp-11jul13-en.pdf>. ICANN reserves the right to consider any or none of the EOIs submitted in response to this request and to select or approve a bulk-transfer recipient outside of this process.

Registrar Expressions of Interest, and any questions, should be submitted by email to registrar@icann.org. Thank you in advance for your participation.

Best regards,

ICANN
