

## **Maximal Starting Repertoire - MSR-1**

### **Annotated Repertoire Tables, Han**

#### **Integration Panel**

**Date: 2014-2-27**

#### **How to read this file:**

This file shows all CJK Unified Ideographs that are included in the MSR-1 with a yellow background. The set of these code points matches the repertoire specified in the XML format of the MSR. Code points shown with a white background are also PVALID in IDNA2008 but were excluded from the MSR.

*For links to files with tables of MSR-1 Repertoires corresponding to other writing systems see "Maximal Starting Repertoire - MSR-1: Overview and Rationale".*

#### **How the repertoire was chosen**

Please see the separate overview and rationale document.
