Termination of Registry Agreement for .iselect

Pursuant to Section 4.4(b) of the Registry Agreement dated 11 February, 2015 by and between the Internet Corporation for Assigned Names and Numbers (**ICANN**) and iSelect Ltd (**iSelect**), iSelect hereby notifies ICANN of the termination of the Registry Agreement effective one hundred eighty (180) days from the date of this letter.

Further, iSelect requests that ICANN not transition the .iselect TLD to a successor Registry Operator, pursuant to Section 4.5 of the Registry Agreement, considering:

- The intellectual property rights of iSelect in "iselect";
- All domain name registrations in the TLD are registered to, and maintained by, iSelect for their exclusive use;
- iSelect does not sell, distribute or transfer control or use of any registrations in the .iselect TLD to any third party; and
- Transitioning operation of the .iselect TLD is not necessary to protect the public interest.

iSelect kindly asks that ICANN initiate the termination process as soon as possible.

Thank you.

Yours faithfully,
